# WELCOME!

President Erik Torres and Chief Operations Officer Jordan Comstock and the entire Memorial 3 Gun Foundation Committee are proud to welcome you to the 7th Annual 2024 Memorial 3 Gun Competition! This year's 7th consecutive match will be another fun and challenging shooting event that brings hundreds of shooters together from all around the United States to pay tribute to those who have made the ultimate sacrifice as well as to their families.

# OUR PURPOSE & MISSION

Our mission is to remember, honor and memorialize fallen Special Operations soldiers through the world of competitive shooting. We want the families to know they are not alone during and after their tragic loss. During our competition, we share stories and remember who these heroes were and the lives they led. Every competitor walks away with a sense of who these men were. All proceeds for our events go directly to the families of the fallen soldiers we are honoring at the event.
